Youth Experiencing Foster Care

Located on the EVIT Mesa campus,
a Career Technical Education pathway.

Paul Revere Academy maintains a clean, moral, positive atmosphere where scholars can feel safe in the environment – safe from physical harm, from addicting substances, and from damaging gossip and stereotyping.

**Paul Revere Academy teaches the mastery of secondary skills in the fields of
history, math, writing, literature, reading, and science.**

Paul Revere Academy teaches scholars about the lives, beliefs and accomplishments of the heroes of America – our founding fathers and mothers – and to better understand the values and principles which governed their lives and upon which they built the American nation. Scholars should be able to relate the trials, struggles, accomplishments and setbacks of these great people to their personal lives, building hope, desire, and determination.
